President's Message

Wondering how you can get more involved in SWE NEO activities and make the most of your membership? Get started by volunteering in one our social or outreach activities, serving on a committee (i.e., the 2011 Nominating Committee could use a few good members!), or becoming a SWE officer. If you are interested in volunteering, please contact Cindy Murphy!

Thanks,

Denise

Workforce Development

Need a reliable way to find good engineers? Or, are you looking for an engineering job?

The webpage dedicated to Workforce Development is <http://www.swe.org/RegionG/neohio/Workforce.html>.

To submit your job posting, please contact the webmaster at NEOhio_SWE_WEB@hotmail.com.

Editor's Note

Do you have an important announcement or other information that might be useful to SWE members? If you are interested in posting something in the newsletter, please send your message to sweneohio@yahoo.com (editor's email address) and it will be discussed by the officers. Thank you in advance for your suggestions and input!
